

# Sea Faire

On Tuesday (7/18) afternoon participate in Sea Faire. Sea Faire is a potpourri of marine and aquatic displays and hand outs from education organizations, activities, resources, materials and much more. The Sea Faire is a fantastic opportunity for you and your organization(s) to hand-out interesting information and display items for public viewing during the conference.

To Sea Faire Participants:

You are all set for your Sea Faire table reservation. Most of you have 1 table reserved but if you requested 2 tables, we were able to accommodate those needs as well. Finally, if you requested an electrical source I have been told that outlets are readily available.

Date: July 18th, 2006 (Tuesday)

Time: 5-6 p.m. (set up = 4 p.m.)

Place: "Lutney's Hallway" (Walk of Fame) in Metcalfe Hall

Other information you may need:

(1) Table information - 6' in length

(2) Supply Store Information:

Court St. Office Supplies, 44 Court St. (near Joralemon), 11201. Phone 718-625-5778. This is good for people without a car, as it is a 15-minute walk from LIU.

Staples, 354 4th Ave. Phone 718-222-5732. For people with a car... this is about 5-10 minutes away, and probably has better prices.

(3) We will set up and break down the tables for you so all you need to do is show up around 4 p.m., "host" your table and enjoy yourself!

I have your phone numbers and contact information but if you should need anything prior to the conference I will be checking e-mail through Sat. 7/15 and can be found in the "dorms" from Sunday night throughout the conference.

Cheers!

Pamela Lynch
